TOLEDO, OH

# ***Make Your Summer Plans Now!***

See how Keith has continued to grow to 6 locations and keeps moving forward in his market with remodeling and new additions. This is also a great opportunity for PFDI to finally have a family retreat. You've asked, and now we're doing it. More pool time! Yes, Tom Starks, we are making it happen! This is a great time to talk, share ideas and yes, even share problems in a relaxed, casual environment. Bring your spouse, significant other, children and/or staff. We will be staying at the Catawba Island Club. This was built by the Stauffer Family, famous for their frozen foods. It was created as a retreat in the state they love so much.

*The Catawba Island Club*

Keith and Katy Walker have organized some special summer plans for PFDI. If you haven't been to Catawba Island, or boated around Put-In-Bay, you haven't boated!

This is also a good opportunity for prospective members to attend and understand the value of PFDI. Feel free to invite them after you have cleared any conflicts through Erica Heuer in the PFDI office.

***We will be sending out more information soon on registration, logistics,  
and booking your rooms.***
